SUCCESSFUL KICK-OFF MEETING

The FORESDA project – Forest based cross-sectoral value chains fostering innovation and competitiveness in the Danube Region – was officially launched on 6-7 March 2017, in Ljubljana, Slovenia.

On Monday, the consortium had its first internal project meeting, hosted by the Wood Industry Cluster of Slovenia. The kick-off meeting took place on Tuesday, 7 March, at the Slovenian Forestry Institute. The event was dedicated to a broad audience, and approached a series of interesting topics.

■ FORESDA MEETS MADE IN DANUBE FOR CROSS-PROJECTS SYNERGIES

FORESDA was presented at the kick-off meeting of the "Made in Danube" – Interreg Danube project on the 22 March 2017. CyberForum was invited as Lead Partner of the Interreg Danube project FORESDA not only to present this project during one of the keynotes, but also to showcase the importance of establishing "cross-project" synergies. To do so, Tamara Högler, Head of Innovations and International Affairs, presented how

the current CyberForum projects “Urban Inno” and “PERMIDES” gear into FORESDA and how these synergies maximize the overall effect and outcome of each single project.

14TH WOOD TECHNOLOGY CONFERENCE IN OPATIJA, CROATIA

FORESDA was presented at the 14th Wood-Technology Conference by Mrs. Tamara Högl - head of innovation affairs at CyberForum e.V, also lead partner of the project. The conference took place on the 5th and 6th of June, in Opatija, Croatia.

Read the entire report of the conference here: <http://www.interreg-danube.eu/news-and-events/project-news/794>

#2 FORESDA PROJECT PARTNER MEETING

After the 14th Wood-technology conference in Opatija (Croatia), the FORESDA consortium had its #2nd project meeting, sharing experiences, achievements, results from the last 3 months, since the last meeting in March 2017 in Ljubljana; and also setting up some new targets to be achieved in the next project period.

The partners agreed to organize the next meeting at the beginning of September, in Sopron, Hungary at the InnoLignum Sopron event, the biggest wood and forestry conference in Hungary. More information about the next meeting will be available on our website: <http://www.interreg-danube.eu/foresda>

INFORMATION AND PARTICIPATION DAY - EUROPEAN STRATEGY FOR THE DANUBE REGION

On 29 June 2017, the State of Baden-Württemberg organized an Information and Participation Day in Stuttgart in the framework of the European Strategy for the Danube Region, which aims at making the Danube Region one of the most attractive regions of the 21st century. The FORESDA consortium was represented by Claire Duval, from the

Regional Development Agency of Northern Black Forest - among other 100 participants from all over the State of Baden-Württemberg. As Baden-Württemberg coordinates priority number eight dealing with the competitiveness of SMEs, Michael Kleiner from the Ministry of Economics mentioned FORESDA as one of the projects targeting this priority area.
